## Increase Traffic

\$199.00

You have already worked hard to make certain that your website is registered on all of the search engines... you have made certain that your site is SEO friendly... now you just need more traffic to make your site a success. Look no further, the Increase Traffic package is your key to just that... increased traffic. This one-time campaign will help you to develop valuable one-way links back to your website that will contribute to traffic for months. We will hand write 1 article about your industry with one-way links to your site and publish it to 100 of the top article directories.

- Creation of one 500-word article
- Article submission to 100 article directories

\*Use the options below to indicate any additional articles that you would like written in this package as well as the rate at which you would like for directory submission to take place.
